Don't compromise on precision and visibility – choose Counteract Tire Mark-All for peace of mind in every tire-related task at your tire shop.

### EFFORTLESS TIRE MARKING

Glide smoothly across challenging, rough or dirty surfaces leaving behind bold and clear markings. Ideal for all seasonal tire change, retread and tire repair marking needs.

### VERSATILITY IN DIFFERENT CONDITIONS

No matter the weather or surface conditions, our crayons mark with ease on wet or cold rubber, ensuring consistent performance in various work environments.

### EXTREME TEMPERATURE CONFIDENCE

Mark confidently in extreme temperatures, with a marking range from -50°F to 150°F (-45°C to 65°C), providing reliable performance even in the harshest winter chills or scorching summer heat.
